To enable us to run a safe Horticulture Show this year

we have had to make changes.

The tent is much smaller and following official guidelines at the time of printing we are required to have the sides of the tent open.

As a result of being unable to protect exhibits from possible bad weather we have had to limit the classes.

It will be free to enter the show but we are unable to offer the usual cash prizes.

The cups will also be limited.

There will be no 'Wednesday Night'. Entries must be online or by post

We look forward to returning to normal next year!

Thank you for your understanding.
