DATA RETENTION

- Membership details are retained as long as the membership lasts. In the event of non-renewal by a member, the data will be destroyed one year from the missed renewal date. On report of a death all data will be destroyed.
- Volunteer Records are kept for 6 years following their departure from the Society, at which point they will be destroyed.
- Data regarding specific consent for direct marketing, fundraising appeals and donations is only retained as long as it is useful to the organisation, or if consent is withdrawn.
- Data associated with Gift Aid, funding, and donations is kept for 6 years after the relevant accounting period.

RISK MANAGEMENT

HECKINGTON & DISTRICT AGRICULTURAL SOCIETY will mitigate security risks by:

- Appointing a volunteer Data Controller who will ensure that personal data, in both paper and digital formats, will be stored securely.
- Restricting access to only those who need it.
- Ensuring access to digital files holding personal data is password and virus protected
- Having lockable storage for hard copy data
- Aiming to keep records accurate, up to date, and kept no longer than is necessary
- Systematically shredding forms that are no longer required
- Reviewing security periodically

In addition, HECKINGTON & DISTRICT AGRICULTURAL SOCIETY will:

- Backup electronic data systems regularly
- Record date consent was given
- Provide a prominent and easy step for opting out of future mail.
- Make our privacy policy available to our supporters
- Include a consent statement on forms containing personal information
- Seek consent before publishing images of visitors, members, volunteers and employees

INDIVIDUAL RIGHTS AND ACCESS TO DATA

- Members/Volunteers have the right to access the information relevant to them which is held by the Trust on application to the Data Controller.
- Members have the right to cancel their membership, or opt out of direct mailings at any time, by application to the Data Controller; at which point they will cease to receive correspondence and their data will be destroyed.
