

About the Show

In recent years the show has attracted around 30,000 visitors over the 2 days of the event. Star attractions draw crowds to the main ring which is shared with many more traditional show favourites. These include a Grand Parade of livestock and nationally recognised cycling and show jumping events.

The traditional Horticulture Marquees are at the heart of the show, bringing together local growers, nurseries and societies that show off locally grown plants and produce.

In addition to the Horticulture section, a further 60 acres are devoted to a delightful array of shops and trade stands, educational and interactive activities and popular livestock and heritage attractions. Look out for traditional ploughing, fairground attractions, a concert marquee and the ever popular food court.

Retail Space

In addition to your display area, we will provide a 6ft table for you to sell goods, plants and produce.

This table is for selling extra items and we request that you do not sell any items from your display until after 4pm on the Sunday of the show. This ensures that all our visitors get the opportunity to see your displays at their very best.
